

BHS “FROZEN SCHEDULE” – 2016-17

Burlington High School along with other area high schools is moving to a “Frozen Schedule” for the 2016-17 school year:

- **Mondays** and **Thursdays** will always be **BLUE DAYS**.
- **Tuesdays** and **Fridays** will always be **WHITE DAYS**.
- **Wednesdays will rotate** each week between BLUE and WHITE with a late start at 8:50. **Wednesdays** in a **BLUE WEEK** will be **BLUE**; **Wednesdays** in a **WHITE WEEK** will be **WHITE**.
- If there is a **non-school day** during a week, the Wednesday schedule will be adjusted to equalize as much as possible the number of BLUE and WHITE DAYS during that week and the semester.
- If there is a **Snow Day/Emergency Day**, school will pick up on the **BLUE/WHITE DAY regularly scheduled** for the next day that week.
- This change will allow students to **schedule** internships, work shifts, college classes, appointments, community service, and other regular meetings in a **predictable way**.
