

BHS READS!

STUDENT SUMMER READING

Reading is a life-long skill. The more you read, the more success you will find in school.

Reading also helps us to know more about the world in which we live.

*Select one at least **one fiction book** and **one non-fiction book** to read by **September 1st**.*

Complete the following questions and turn your form into your advisor.

*Need an idea for a book to read? Check out suggestions on www.bhs.bsdyt.org or stop by the **Fletcher Free Library** this summer for ideas and suggestions.*

Student:

Grade:

Book Title:

Author:

What was the main theme or plot of the book?

Describe a key character or event in the book and discuss its importance to the story.

Would you recommend this book to another student to read? Explain why or why not.
