

Burlington's Summer Reading Program 2016

Get in the Game: Read!

Reading is a life-long skill. The more we read, the more successful we are at school, in our careers, and in life in general. Reading helps us gain better knowledge of people and the world around us. This summer BHS is partnering with the Fletcher Free Library (FFL) to bring the first-ever city-wide Teen Summer Reading Program to Burlington!

Here is how the Program works:

Read!

- Students in grades 9 & 10 will read at least two books over the summer - one fiction and one nonfiction book.
- Don't know what to read? Check out the Teen Summer Reading List (<http://fletcherfreeteenspace.weebly.com/SRPreadinglist2016.pdf>) for a wide array of awesome titles to choose from!
- Books can be signed out through the Fletcher Free Library, at Flynn Elementary (during summer hours), or from BHS Library before June 15th.
- Keep track of your reading success. Sign up via the BTV SRP database (<http://www.btv srp.com>).
- Write reflections about your reading.

Join in!

- All high school students are invited to participate in fun and energetic programs with peers.
- Come to Fletcher Free for fantastic and free teen programming, including Bubble Soccer, teen Quidditch, improv challenges, and more!

Volunteer!

- Mentor young readers in Burlington. Be a Reading Buddy at Fletcher Free this summer!
- Help elementary students in Burlington discover the joy of reading. Create positive connections through conversation, games and activities, reading stories aloud, and sharing your favorite children's books.
- Make a difference in your community this summer, sign up to volunteer at FFL here: <https://goo.gl/RRc4Rx>.
